

2018 Artist Upcycle Contract

To participate in the Upcycle Challenge, I agree to abide by the following bullet points.

- I will pick up an item valued at \$100 or less from the ReStore located at 2936 North. I will keep all my receipts to demonstrate that 75% of my supplies for my project are purchased from ReStore, leaving 25% from other sources.
- I will drop off my completed DIY to the Restore beginning June 4th and no later than June 8th to be part of the contest.
- I will provide a bio to Habitat so that it may be included with promotion of Upcycle Challenge.
- Pictures of my DIY and myself will be used throughout Habitat for Humanity of Mesa County's electronic media.
- My DIY may be moved around the ReStore and possibly displayed on TV.
- I understand that Habitat for Humanity is a Christian organization. I will refrain from including any nudity, offensive language, or the depiction and usage of legal and illegal substances in my DIY. If my finished DIY is deemed inappropriate by the upcycle committee it will not be displayed.
- I will provide any necessary display items, such as a hook or shelf and if your DIY needs upkeep, such as watering of a plant, I am responsible for that maintenance.
- I will pick up my item on July 1st or let Habitat know to sell my DIY item with all proceeds going to Habitat.
